

Cady Mts WSA

In U.S. Senator Dianne **Feinstein's** pending bill S.414 it appears that the Cadys are released.

1. TITLE XV Wilderness, Sec. **1501** Designation of Wilderness Areas-

"the following land in the State is designated as wilderness areas and as components of the National Wilderness Preservation System"

2. Cadys are not listed

3. ""SEC. 1503. RELEASE OF WILDERNESS STUDY AREAS

“(a) FINDING.—Congress finds that, for purposes of section 603 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1782), any portion of a wilderness study area described in subsection (b) that is not designated as a wilderness area or wilderness addition by section **1501** or any other Act enacted before the date of enactment of this title has been adequately studied for wilderness.

“(b) DESCRIPTION OF STUDY AREAS.—The study areas referred to in subsection (a) are “(1) the Cady Mountains Wilderness Study Area...

(Avawatz, Great Falls, Soda, Kingston and Death Valley areas are also listed and ARE referred to in **1501**)

U.S. Congressman Paul **Cook's** pending bill H.R.3668 is structured in a similar way but the language is very clear (the following applies to the Cadys)

(2) is no longer subject to any requirement pertaining to the management of wilderness, wilderness character, wilderness study areas, or areas of environmental concern.
