

Weyerhaeuser Lease Land Access Policy

This information is current as of April 11, 2014. This message will be updated when there are changes to our access policy.

Effective now through July 31st 2014, the Doty block of the Pe Ell tree farm is open for recreational access. The Lincoln Cr. Bunker Cr. area is open for the spring Black Bear special permit season. The remainder of the Pe Ell tree farm is open only for NON-MOTORIZED recreational access in areas where we are NOT working. If a gate is open, it means we are working in the area and absolutely no access is allowed. If a gate is closed, you can walk, bicycle, or ride horseback onto the tree farm. Please check our recreation access website for updated information concerning 2014 permits and leases, www.WYRecreationNW.com

The rules listed below are in effect at this time but could change during the permit season:

- o **NO target shooting ever.**
- o **Don't dump trash or animal carcasses.**
- o **No rockhound activities of any kind are allowed.**
- o **ATVs, ORVs, motorcycles or motor-assisted bicycles are always prohibited.**
- o **We don't allow camping or fires or fireworks**
- o **No firewood or other forest products can be removed with the exception of berries and mushrooms for personal consumption (5 gallon maximum per year). We do not issue firewood permits.**
- o **Obey all signs and don't block the gates when you park.**

Looking Ahead

Starting August 1st, a recreation access permit will be required for all recreational access to the Pe Ell tree farm including non-motorized access including walk-on, horseback riding, and bike riding. Basic information is provided below:
